

Week 4: Coaches

Coaches instruct and correct.

A good player listens and learns.

Scripture was designed to instruct and correct - 2 Timothy 3:16, Proverbs 23:12

A person who learns from instruction and discipline is a happy person - Psalm 94:12

Instruction and correction is an expression of God's love - Proverbs 3:12, Hebrews 12:5-9

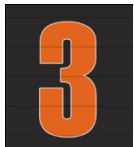

Coaches motivate.

Players become better when they believe what their coaches tell them.

Nothing is impossible with God - Matthew 19:25-26, Mark 9:23-24, Matthew 17:19-20

You can do everything Christ wants you to do - Philippians 4:13

God doesn't give up on us - Philippians 1:6

Coaches delegate.

We can learn from "assistant coaches" and even become a coach ourselves.

Good friends give Godly advice - Proverbs 10:31-32

Wise people learn to listen to other people - Proverbs 12:15

"Assistant coaches" will only speak in harmony with the "head coach" - 1 John 4:1
