

Week 16: Team Players

Team Players “Do Life Together”

Being a Christian means being part of a community of believers.

We must spend time together – Hebrews 10:25

We stick together through the good times and bad times - Romans 12:15

We must take a genuine interest in each other - John 13:34

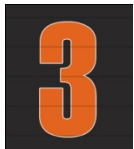

Team Players Are Loyal

Christians look out for each other.

We work together and care for each other - I Corinthians 12:25

We work harder in order to not disappoint the others - Hebrews 12:1

We achieve more together than we ever could apart - Leviticus 26:8

Team Players Are Family

We can learn from “assistant coaches” and even become a coach ourselves.

God is the Father - John 5:18; John 8:54

Believers are our sisters and brothers - Hebrews 2:11; 1 Timothy 5:1

The mature Christians mentor the new believers - Psalm 119:130

If you don't have a team around you, ask God to show you others with whom you can fellowship. Then go out and seek them! Be the driving force behind a strong fellowship of believers.
